Attendance Matters

ATTEND TODAY
ACHIEVE TOMORROW

ATTENDANCE WORKS
www.attendanceworks.org

Parents students must log into all courses daily, complete required work, and submit it by 11:59 PM ***to be counted present for the day***. Please ensure your scholar is attending class regularly.

If your child must miss instruction they should reach out to their teachers immediately via Schoology, Remind, or any other method used by their teachers.

Parents and scholars can email teachers directly from Schoology or Parent/Student Portal.

The first step to academic success is to attend classes daily.
