

WHAT IS A SCHOOL PARENT COMPACT?

A school-Parent Compact for Achievement is an agreement between parents, students and teachers. It explains how the school community can work together to make sure all students reach grade level standards and show academic growth.

Terrace Hills/Collins school Administration, Teachers and parents develop this School-Parent Compact and make changes based on student's needs.

JOINTLY DEVELOPED WITH PARENTS

Provide a caring environment so that my child has a time and place for quiet study and reading at home.

What is PBIS?

Positive Behavior Intervention and Support Focuses on improving school's ability to teach and support positive behavior of all students. It is a proactive approach of prevention and response to classroom and school discipline issues. The emphasis is on developing and maintaining a safe environment where teacher can teach, and students can learn.

What is S.E.L?

Social and emotional Learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

OUR GOALS FOR STUDENT ACHIEVEMENT

This year Terrace/Collins School will work on increasing the number of students who meet or exceed state standards in all academic areas through increased concentration in a variety of active learning strategies across the curriculum. We will focus on enhanced social and emotional learning as part of student success. Teachers will provide challenging and engaging work that focuses on different learning styles of students for increased growth and progress during the school year. Every student will work towards mastering state grade level performance standards by achieving a minimum growth of 1 year in math and reading.
