**Prioritized Need 1**: Educators prioritize building their capacity to understand curriculum and instructional materials, aligned assessments of and for learning, and teaching. **Root Cause**: HQIM are new instructional resources requiring more opportunities for teachers to internalize the lessons in order for the students to be successful.

**Prioritized Need 2**: All students need to have access to a TEKS-aligned, guaranteed and viable curriculum, assessments, and resources to engage in learning at appropriate levels of rigor. **Root Cause**: Classroom Tier 1 instruction needs to be effective for all students to reach mastery of grade level standards.

# L2 Academic Excellence (Student Achievement)

**Prioritized Need 1**: Not all students are learning at high levels as demonstrated by Domain 1:STAAR. Campus data trends for the past seven years are not showing high gains or decrease in overall performance. **Root Cause**: Tier 1 Instruction is not happening in all classrooms. Teachers are not delivering daily Rigorous Quality First Teach lessons based on measurable goals. Teachers are not using curriculum with fidelity and need more training and time to reflect, adjust, and deliver instruction based on instructional practices, data, and students' academic needs.

**Prioritized Need 3**: Teachers have difficulty assessing the academic needs of students based on current student levels. **Root Cause**: The campus is not showing sufficient improvement in Academic Progress and Closing the Gaps. Students in two or more student groups are not achieving at the Meets/Masters Levels. Teachers need assistance delivering Quality First Teach lessons with rigor. Teachers are in need of more training on instructional practices.

Goal 2: ACADEMIC EXCELLENCE El Paso ISD empowers all learners to excel in current and future pursuits.

**Performance Objective 2:** By June 2024, Powell Elementary will Increase student achievement outcomes as measured by an increase in Domain 1 Student Achievement STAAR results from 43% to 53%.

**Prioritized Need 2**: Academic achievement scores decreased greatly last year and have steadily decreased for specific student groups. **Root Cause**: Learning gaps in foundational skills along with accurate data that represent student skill levels are not immediately known since such a high percentage of students are enrolled at Powell for the first year in their schooling. These students often leave after one year. For students entering 5th grade, teachers must determine several years of content-specific skills to plan for instruction.

#### L3 Destination School (Staff Recruitment, Retention & Prof. Dev)

**Prioritized Need 3**: Professional Development is need for teachers on PBIS and classroom management. **Root Cause**: The lack of implementation and fidelity of PBIS to reduce the number of referrals and classroom disruptions.

Goal 3: DESTINATION DISTRICT El Paso ISD solidifies its position as El Paso's destination district.

**Performance Objective 1:** By June 2024, Powell Elementary will stabilize enrollment by increasing the number of new students enrolling or transferring back to EPISD by .05%.

Prioritized Needs: L5 Equity by Design (Demographics) 1

# **Performance Objective 1 Prioritized Needs:**

#### L5 Equity by Design (Demographics)

**Prioritized Need 1**: The SPED population at Powell rises yearly, we don't have enough support to deal with everyday incidents, both academic and behavioral, that support student IEP's. This year, our CRC classes have a high number of students from previous years. Several new special education referrals have also been initiated this school year. **Root Cause**: The number of SPED referrals is high due to parental request for testing. The behavioral outburst of students is daily having administration and counselors continuously assisting.

**Prioritized Need 2**: EB students are at a higher percentage at intermediate despite years in school and several still at beginning level. **Root Cause**: Gaps in language acquisition and instructional supports across all grade levels.
