

Steps to Access Your Child's STAAR SCORES

You can access your child's STAAR test results in the Student Portal on the Texas Assessment Management System website.

1. Go to www.TexasAssessment.com

2. Select “Log in to Student Portal.”
3. If you have your access code, enter the code and your child’s birthday to view their scores. If you **DO NOT** have your access code, click on “Lookup Access Code” in the middle of that screen.

Enter access code and student date of birth:

Access Code

Month Day Year

Go

► Where's my access code?

► Lookup Access Code

4. Enter your **child’s first name only**, their **Social Security number** in the **PEIMS ID** field, and **birthday**.

Lookup Student Access Code:

Student's First Name

PEIMS ID

Month Day Year

Go

Cancel Lookup Student Access Code

5. Click on “Go” and your child’s code will appear. (Be sure to write down the code for future use, as this code is valid as long as your child is enrolled in a public school in Texas). Click on “Go” again to go into the portal
6. If you have questions, please contact your child’s home campus or the Texas Assessment Support Center at **855-333-7770**.
