

EPISD PUBLIC INFORMATION REQUEST GUIDELINES

The Texas Government Code at Chapter 552 is more commonly known as the "Texas Public Information Act." Public information means documents that are collected, assembled, or maintained under a law of ordinance or in connection with a transaction of official business by the Board and to which the Board has a right of access. For detailed information on the Act or to access the public information handbook, you can go through the Office of the Attorney General (OAG) website <http://www.oag.state.tx.us>. The public is encouraged to visit this site when contemplating a request for documents from the El Paso Independent School District.

Making a Request. The request must ask for documents already in existence. The Act does not require a governmental body to create new information, to do legal research, or to answer questions.

E-Mails. If requesting e-mail searches, please be aware that the District has had two different platforms for e-mails with different search capabilities. Narrowing your request for e-mails to a specific time frame, a specific category of employees, and a specific subject matter will allow the District to perform a more efficient search for these documents.

Charges to the Requestor. A person can ask to view documents, get copies of the documents, or both. If a request is for copies of documents, then the governmental body may charge for the copies. If the request is to inspect the documents charges may apply under specified circumstances.

- *Submit a written request according to a governmental body's reasonable procedures.*
- *Include enough description and detail of the documents that you want so the governmental body can accurately identify and locate the items you are requesting.*
- *Cooperate with the governmental body's reasonable requests that you clarify the type or amount of information that you are requesting.*

For your convenience the District provides numerous documents online at no charge. Below is a partial listing of what is available online at www.episd.org:
