#### **Program Description**

Jacobs is providing Program Management Services inclusive of design coordination, budget and cost control, program scheduling, construction and oversight for the El Paso Independent School District's 2016 Bond Program. The 2016 Bond Program includes 17 Major Projects (16 of which are managed by Jacobs), Technology Upgrades, Safety Upgrades, Athletics & Playground Upgrades, and Transportation Purchases. The following is the 2016 \$668.7 Million Bond Program Summary Budget:

District Bond 2016	\$668,695,577
Jacobs Project Management Co.	\$599,707,739
New Facilities/Additions	\$325,083,934
Comprehensive Renovations	\$274,623,805
Managed by EPISD	\$68,987,838
Facilities	\$11,101,143
Crockett Elementary School	\$11,101,143

#### **Budget Changes**

In addition to the 2016 bond funds described above, EPISD has transferred available 2007 Bond Funds for Andress High School (\$10.2M) and Irvin High School (\$25.6M) into Jacobs' management scope of work in order to maximize the effectiveness of those dollars in a cohesive plan for each of those campuses.

To facilitate management of the bond implementing proven best practices for budget management, 5% of each project has been transferred to a program level contingency that will be utilized as needed to cover unexpected overages at any of (and only) the bond 2016 campuses. Jacobs' PM fee has also been transferred out of each project on a pro-rata basis.

#### **Program Status**

Jacobs has completed the Sprint Start effort, with a formal presentation to the Board of Trustees scheduled for April 4. The Board approved the pool of 10 architects at the March 21 meeting. A selection committee interviewed all 10 of the selected firms in order to assign them to the individual projects. Contract negotiations are underway and the first contracts will be presented to Board for approval in early May, after which the first series of designs will commence.

#### Schedule

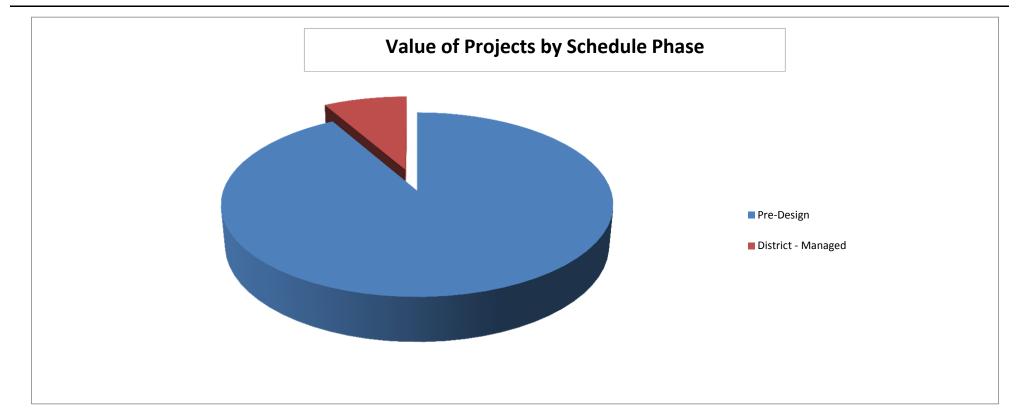

The EPISD Bond Program is currently on schedule and is anticipated to complete all projects within 5 years (January 2022).
