Start thinking about college...

- ▶ Visit the Go Center to find out about different colleges.
- ▶ Junior year is a good time for college visits.
- ▶ Explore the websites of your chosen colleges for important high school information.
- ▶ The PSAT is a National Merit Scholarship Qualifying Test. This contest awards more scholarships than any other.

Taking the SAT and/or ACT

ACT

- Sections: math, reading, science, English, writing
- Measures academic achievement in 5 subject areas
- Score on each section ranges from 1-36. The composite score is an average of the section scores.
- www.act.org

SAT

- ▶ Sections: math, evidence-based reading and writing, optional essay
- ▶ Emphasis on reasoning
- ▶ Emphasis on the meaning of words in context
- ▶ Scores range from 400 to 1600. Essay results reported separated.
- ▶ www.collegeboard.com

Top 10% Rule

Students who graduate in the top ten percent of their graduating class are eligible for admission to any *public* college or university in Texas.

**Exception UT Austin admits top 6%*

NCAA Eligibility Center

Athletes desiring to play at the collegiate level should register at this website:

www.eligibilitycenter.org

***Credits earned through Credit by Exam or on Odyssey DO NOT count toward the core requirements for NCAA eligibility.

AP vs. Dual Credit

AP

- ▶ AP classes ALWAYS count as HS credit.
- ▶ Classes are taken on the FHS Campus.
- ▶ College level coursework with an AP exam that could *potentially* earn college credit.
- ▶ Acceptance of credit nationwide is based on the individual University. Typically a score of 3 or higher is required to earn credit. **Student must contact college to verify acceptance.**
- ▶ Open enrollment
- ▶ Students must pay to take the AP exam. (Fee is much less if you qualify for Free and Reduced Lunch.)

Dual Credit

- ▶ Check with your chosen college to see if the DC course counts as the named HS course or as an elective.
- ▶ Classes are taken on the FHS Campus.
- ▶ Coursework will transfer to most Texas public universities with a grade of “C” or better. Coursework **might** transfer to other Universities. **Student must contact college to verify acceptance.**
- ▶ Students must meet TSI (college readiness) standards to enroll.
- ▶ Tuition is free.
