Silva Health Magnet H.S. is the only High School in El Paso, Texas and the surrounding areas, to have received a National Blue Ribbon Award three times!

Maxine L. Silva Magnet High School for Health Care Professions

Our **mission statement** is to provide a progressive and academically rigorous curriculum in a multicultural and technologically advanced environment for students pursuing a career in health care professions.

The **vision statement** is to ensure that all students graduate from high school, become productive members of society and be prepared for continuing education opportunities. The faculty, staff, parents and community will make learning a priority, create a climate of expectation, and involve parents and the community in the educational process.
