

Clardy Elementary 4th Grade Family - School Compact

2021-2022 School Year

Students Will:

READING

- Read stories aloud with fluency
- Draw inferences when reading
- find the theme of the story
- Compare and contrast characters, settings, or events
- find the main ideas and supporting details to create a summary
- Explain the author's purpose for writing the text
- Determine the point of view
- Make connections to the text
- Explain the structural elements of poetry

Math

- Read, write, and compare decimals to the hundredths place
- Understand and explain the value of digits
- Divide three digit dividends by one digit divisors
- Add, subtract, and compare fractions
- Identify the perimeter and area of a rectangle
- Use measurement units to solve problems dealing with length, capacity etc...

In the Classroom

- Schedule parent/teacher conferences twice a year
- Maintain constant communication with parents regarding student progress and safety
- Provide the students with guidance, from our school counselor, to enhance school performance.
- Utilize a dual-language format when communicating with parents.

At Home

- Communicate with the school if academic problems or student concerns develop during the year
- Ensure their children are in attendance, arrive on time to school, and are dropped off and picked up in a manner that is safe for all students
- Support student learning by making sure homework is completed correctly and returned every day

Our Goals for Student Achievement

- ALL students will show one year of growth
- ALL students will be academically successful.
- ALL students will meet passing standards on STAAR assessments.
