

What is a Family - School Compact?

A Family-School Compact is an agreement between parent, guardian, caregiver and Clardy Elementary on working together to help our students with their academic success. This compact provides strategies to help connect learning at school and at home.

Jointly Developed

Fox Families, students and staff worked together and shared ideas to develop the Family-School Compact. The Title 1 Committee meetings are held each year to review and revise the compact based on the school's academic achievement goals and student needs.

Parents are welcomed to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.
