WHAT IS A SCHOOL-PARENT COMPACT?

A school-parent compact is a written agreement between a school, parents, families, and students. The compact gives strategies to help support students' success in school. The compact explains what families and schools can do to make a connection for the students between the two "world" they live in; home and school. Parents, families, students and the school, work together to create a group of ideas that can assist students with realizing their potential. This becomes the compact that is signed as an agreement by all those involved in the child's education.

¿QUÉ ES EL PACTO DE ESCUELA-PADRES?

Un pacto escolar es un acuerdo escrito entre la escuela, los padres, las familias y los estudiantes. El pacto brinda estrategias para ayudar a apoyar el éxito de los estudiantes en la escuela. El pacto explica qué pueden hacer las familias y las escuelas para crear una conexión para el estudiante entre los dos "mundos" en los que viven, el hogar y la escuela. Los padres, las familias, los estudiantes y la escuela trabajan juntos para crear un grupo de ideas que puedan ayudar a los estudiantes a realizar su potencial. Esto se convierte en el pacto que firman como acuerdo de todos los involucrados en la educación del niño.
