Parent Survey: Reopening of Schools

Parent/Guardian Introduction

The district has received school district contracts preparing the reopening plans for the 2020-2021 school year. Your feedback as a parent or guardian is critical to this process, since plans must be responsive to the needs of our students and families while simultaneously prioritizing the health, safety, and well-being of our community. It is important to recognize that schools must operate differently when campuses do reopen. Exactly how we reimagine schools opening in the fall is the work we must do together in consultation with our School Board, health professionals, and government. Please keep in mind that for the 2020-2021 school year, all students, staff and visitors will be required to wear face masks and adhere to social distancing guidelines.

We understand that your feedback might be different depending on the age and needs of your children. With this in mind, we ask that you make this brief survey for each of your children enrolled at EPISD. Please note that ALL groups will begin on Aug. 17 with virtual learning through EPISD@Home. Campuses will open for Groups A/B and D on Sept. 8 for face-to-face instruction once authorized by the governor and Texas Education Agency (TEA).

The table below will give you a general idea of the plan, but your very specific responses to this survey will help guide us in determining whether we can serve more students in the building.

5. La primera pregunta es si regresa a las escuelas de EPISD, o si se va de nuestro DISTRITO para ir a otro DISTRITO. Muchos padres se confundieron con esta pregunta y pensaron que significaba que NO regresaría a la escuela porque prefiere mantener a su hijo en casa con la educación VIRTUAL o EN LÍNEA. Esta pregunta surgirá más tarde. Necesitamos saber si vas a volver a CUALQUIER escuela de EPISD. Si la respuesta es SÍ, seleccione sí y siga las preguntas restantes.

Parent/Guardian Questions

Please complete the survey below. The questions below are meant to better understand your preferences while prioritizing the health, safety and wellbeing of students. Your timely response is appreciated. Thank you so much for choosing El Paso Independent School District.

In reviewing the options, the goal would be to accommodate as many students as possible face-to-face with staggered schedules.

Please note that if you select a staggered schedule (Groups A and B) for your child, they will begin school on August 17 with virtual learning through EPISD@Home and begin the face-to-face instruction once authorized by the governor and Texas Education Agency (TEA).

If your child is in grades 3-12 and NOT in the select special programs listed above, please select from the options below.

I do not want 100% virtual, and would like for my child to be included in the staggered schedules (GROUPS A and B).

I do want 100% virtual for my child (GROUP C) through EPISD@Home.
