Dear Parent, Guardian and Responsible Person,

During our time of physical closure, we are still providing services to our parents and students. The following information will assist you during this time period. Even though we cannot visit with you in person, we will take every opportunity to assist you during this time. Just a few reminders, students must still follow the Student Code of Conduct. If there is anything that prevents your student from participating in online learning, please let us know as soon as possible through <https://www.episd.org/Page/7739>.

1. Any bullying, harassment or social media concerns may be reported through our Anonymous Alerts Application. It may be found under the parent and/or student tab at www.episd.org or by clicking here (<https://www.anonymoualerts.com/elpasoisd/>).
2. We are still processing enrollments. If you are a brand new student to the district, please complete online registration. The following documents must be uploaded in the system:
 - birth certificate
 - proof of residence (if you qualify under McKinney Vento, proof of residence is not required)
 - immunization card
 - parent's identification card
 - a copy of the last report card or transcript
 - a copy of the social security card if you entered the number.

Please notify the campus that you have completed registration at <https://www.episd.org/Page/7739>.

3. If you are changing campuses, please send the registrar/PEIMS Clerk Elementary your signed written request electronically or submit the request through the EPISD Let's Talk application. Be sure to indicate which EPISD campus you are changing to and include your new proof of residence. We will forward you a registration form for the new campus and enroll the student. **During this period of virtual learning, we highly recommend that the student remains enrolled at their current campus.**
4. If you need to withdraw your student completely from EPISD during this time period, please send the registrar or PEIMS Clerk Elementary your signed written request electronically or submit everything through the EPISD Let's Talk application.

All transcripts are free for current students. We will provide unofficial transcripts to students and/or parents.
