

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Have links to academic achievement goals.
- Focus on student learning.
- Share strategies that staff, parents, and students can use.
- Describe opportunities for parent to observe, volunteer, and participate in the classroom.

Jointly Developed

Hart Elementary School will take the following actions to involve families in the development of its family engagement plan, programs, and the school family engagement compact.

- Families will provide input and serve on the campus improvement team (CIT).
- Families will serve on the annual evaluation of the school-parent compact and policy to review and provide input.
- Families will provide the district/campus feedback through a parent survey.
- Families will be invited to Title I meetings to evaluate the compact in school's spring semester.
