TELPAS is an assessment program for students in Texas public schools who are learning the English language. The letters in **TELPAS** stand for the Texas English Language Proficiency Assessment System. The Texas Education Agency developed **TELPAS** to meet state and federal requirements. Texas annually assesses the English language proficiency of K–12 students who have been identified as English learners (ELs) in four language domains—listening, speaking, reading, and writing. **TELPAS** evaluates the progress that each EB makes in becoming proficient in the use of academic English.

TELPAS es un programa de evaluación para estudiantes de escuelas públicas de Texas que están aprendiendo el idioma inglés. Las letras en TELPAS representan el Sistema de evaluación del dominio del idioma inglés de Texas. La Agencia de Educación de Texas desarrolló TELPAS para cumplir con los requisitos estatales y federales. Texas evalúa anualmente el dominio del idioma inglés de los estudiantes de K–12 que han sido identificados como aprendices de inglés (EL) en cuatro dominios del idioma: escuchar, hablar, leer y escribir. TELPAS evalúa el progreso que hace cada bilingüe emergente para volverse competente en el uso del inglés académico.
