

Senior Information

YEARBOOK

Class of 2023

You can schedule your own **senior Coronado yearbook portrait session** any time, beginning in June 2022, by contacting the studio using the information that is attached to this handout.

If you only want a senior photo taken, you will only pay a \$15 sitting fee at the time of the photo.

These are also the photos that are projected to the audience during the graduation ceremony.

What to wear for your senior photo:

- formal, "Sunday Best" clothing
- black, white, or blue (any shade but turquoise) shirt, dress or blouse
- you may wear a jacket, vest, and/or tie (ties must be appropriate for school)

The deadline for taking your photo is November 30, 2022. When scheduling your photo, do not schedule a studio photo for a date later than Nov. 30.

- Schedule early so that the studio does not run out of appointments around the time of the final deadline.
