WE  
ARE

HIRING

**SPANISH LANGUAGE TEACHER**

**SUMMER JOBS AVAILABLE**

We are training our future physicians and dentists to effectively communicate with the large and predominantly Spanish-speaking population in our community.

**Job entitles:**

- The Spanish language instructors will support the needs of the undergraduate medical education and dental program during the Summer Immersion, which contains a pre-clerkship conversational and medical Spanish component as part of the Society, Community & the Individual (SCI) course.
- **Job Type:** Full-Time (Temporary— six weeks during the summer).
- **Minimum Qualifications:** Bachelor's degree required. Teacher certification preferred. Two years teaching experience required.
- **Specific Qualifications:** Proficiency in English and native or near-native proficiency in Spanish. Documented experience as a Spanish language educator.

**Six Weeks (from June 21 to July 30, 2021)**

Positions will be posted soon. Look for '**Sr. Teacher-Immersion**' in our Job Portal to **APPLY!!!**
