

Dear Polk Families,

This holiday season gives us the opportunity to reflect on the past year, and hopefully, the opportunity to be grateful for all the wonderful things we have, and the people around us that we love and appreciate. In this letter, I want to express how thankful I am to serve as the Principal of this amazing school, and work with these incredible students, dedicated teachers and involved parents.

*Talking about involved parents, **November 19** is “**Parental Involvement Day**”, so our gratitude goes to all you parents for being involved in the education of your children. This year, because of the health situation in our country, and the whole world, parents have taken on the role of teachers, in addition of continuing to be parents, and breadwinners. So, thank you so much for all you do!*

I invite you to talk to your children about the true meaning of this holiday, and initiate conversations about the things that they are grateful for this year!

On behalf of the Polk Faculty and Support Personnel, Mr. Candelaria and I wish you a safe and healthy Fall Break and the most wonderful Thanksgiving Holiday!

Sincerely,

Sandra Spivey, Principal
