

P-TECH

PATHWAYS IN TECHNOLOGY AND EARLY COLLEGE HIGH SCHOOL

EL PASO HIGH SCHOOL
P-Tech
Pathways in Technology

P-Tech is El Paso High School's newest program and will welcome its first cohort in the fall of 2021. This stand-alone program begins with the end in mind. El Paso High School P-Tech students will graduate with no less than an associate degree or nationally recognized certification in the areas of computer science and/or networking. Because of the rigorous course load, P-Tech students cannot participate in additional magnet programs

P-Tech es el programa más nuevo de las escuelas secundarias de El Paso y dará la bienvenida a su primera cohorte en el otoño de 2021. Este programa independiente comienza con el final en mente. Los estudiantes de P-Tech de El Paso High School se graduarán con un título de asociado o una certificación reconocida a nivel nacional en las áreas de informática y/o redes. Debido a la rigurosa carga de cursos, los estudiantes de P-Tech no pueden participar en programas magnet adicionales.

Associate Degree/Credential Earned:
Associate of Arts Computer Science
Computerized Cisco Networking Certification

Título asociado / credencial obtenida:
Asociado en Ciencias de la Computación
Certificación informática de redes de Cisco

REQUIREMENTS TO APPLY REQUISITOS PARA APLICAR

- NONE, however, an application must be submitted

Thank you for taking the time to inquire about El Paso High School’s four distinct magnet programs. Unlike any other school in El Paso County, three of our four magnet programs can be mixed, matched and combined to create a customized course of study that best fits an individual student’s interests and strengths. Our fourth and newly established stand-alone P-Tech program will guarantee that our students will graduate with an associate degree in Computer Science or a nationally recognized Cisco Systems Networking certification. In times of such uncertainty, there is one thing most certain: El Paso High School’s commitment to excellence and innovative programs that will best prepare our students to be college and career ready from day one after graduation.

Gracias por tomar el tiempo de investigar los cuatro programas magnet distintos de El Paso High School. A diferencia de cualquier otra escuela en el ciudad de El Paso, tres de nuestros cuatro programas magnet se pueden mezclar y combinar para crear un curso de estudio personalizado que se adapte a los intereses y fortalezas de un estudiante individual. Nuestro programa nuevo P-Tech recientemente establecido, garantizará que nuestros estudiantes se gradúen con un título asociado en Ciencias de la Computación o una certificación de Cisco Systems Networking reconocida a nivel nacional. En tiempos de tanta incertidumbre, hay una cosa más segura: el compromiso de la Escuela El Paso high School con la excelencia y los programas innovadores que prepararán mejor a nuestros estudiantes para que estén preparados para la universidad y la carrera desde el primer día después de la graduación.

T-STEM

SCIENCE, TECHNOLOGY, ENGINEERING, MATHEMATICS

The El Paso High School T-STEM provides a forward-thinking rigorous curriculum that fosters creative and critical thinking in the areas of Science, Technology Engineering and Mathematics. Advanced Math, Science and Engineering courses are sponsored or taught by UT_Austin, Microsoft and Cisco Systems.

The EPHS Dual Language, T-STEM and AP Capstone can be taken simultaneously.

El T-STEM de El Paso High School proporciona un plan de estudios riguroso con visión de futuro que fomenta el pensamiento creativo y crítico en las áreas de ciencia, tecnología, ingeniería y matemáticas. Cursos avanzados de matemáticas, ciencias e ingeniería patrocinados o impartidos por UT Austin, Microsoft and Cisco Systems. El EPHS Dual Language, T-STEM y AP Capstone se pueden tomar simultáneamente.

There are four academic pathways to choose from:
Hay cuatro vías académicas para elegir:

Biomedical	Mathematics	Robotics	Computer Science
On-Ramps Physics (UT Austin)	AP Stats	Engineering	Fundamentals of Computer Science
Psychology	Pre-Calculus	Robotics 1	On Ramps Computer Science
AP Biology	Physics 2	Robotics 2	PAP Computer Science
On-Ramps Chemistry	Stats grade	On-Ramps Physics 1	AP Statistics
PAP Anatomy & Physiology	Calculus AB	Environmental Science	AP Computer Science
Stats or Pre-Calculus	Calculus BC	2-year 4-course CTE architecture Design	Calculus AB
Biotech	Physics C	2-yr 8-course CTE Engineering Design	Calculus BC

REQUIREMENTS TO APPLY REQUISITOS PARA APLICAR

- NONE, however, an application must be submitted
