Nolan Richardson Middle School

July 2021

Welcome to Nolan Richardson Middle School! We are pleased to have you as a student in our school and part of our school's community/family. You will find that our administrators, teachers, and staff are here to assist and provide you with the best middle school experience possible. Our main goals are: (1) to ensure our students are provided with a safe and positive learning environment and (2) to ensure all students are successful in their classes and on the state exams. With your help, these goals can be accomplished by being **responsible, respectful, and safe**.

In order to assist us in achieving these goals, we require all of our students and parents to become familiar with and follow our campus expectations/operating procedures. An overview of these expectations/procedures is found in the following handbook. Please read through these pages and ask for clarification of the contents, if needed; as it will be assumed you understand the expectations/procedures and are capable of following them.

Our school staff has a strong belief that parents and community members are a vital part of our school's success. We, therefore, work closely with our Parent-Teacher-Association (PTA) to maximize opportunities for excellence. Joint activities will be held throughout the school year. Parents/guardians are invited to become active members of our PTA.

Again, we are glad you are a student in our school this year. Have a successful school year; make good memories that will last forever.

Sincerely,

Principal

International Baccalaureate Middle Years Programme

*Nolan Richardson Middle School is authorized to offer the International Baccalaureate Middle Years Programme (IB MYP). All Richardson students participate in the IB MYP. IB schools merge state standards with IB pedagogy to encourage both personal and academic achievement, challenging students to excel in their studies and in their personal development. SCHOOL HOURS

It is strongly suggested that students arrive on campus by 7:30 a.m. The first bell rings at 7:40 a.m. and the tardy bell rings at 7:50 a.m. The tardy policy is strictly enforced and arriving after 7:50 a.m. may result in the student losing valuable instructional time. Early arrival at school before 7:00 a.m. is discouraged except when a student plans to receive additional instruction from a teacher.

ATTENDANCE POLICY

Excused Absences

Absences are excused when they result from reasons specifically allowed in Section 21.035 of the Texas Education Code: personal illness, sickness or death in family, quarantine, dangerous weather or road conditions, or special/extenuating circumstances acceptable by the Principal.

Requested Absences

A requested absence is an absence, which cannot be classified as excused, but in the judgment of the principal, make-up work may be allowed.

Such requests are to be submitted in advance and in writing to an administrator. **Absences prior to a holiday observed by the district or spring break will not be approved.**

Unexcused Absences

An unexcused absence is one, which may or may not be known or approved by the parent and/or school and which cannot be classified as excused according to the above definitions. Excessive unexcused tardies may warrant detention, ISS or other consequences. The expectation is for students to arrive on time.

Truancy

Truancy is any absence from school without permission from the parent/guardian and/or school officials.

Attendance Procedures:

- 1.) It is necessary that a parent or guardian phone the school by 9:00 a.m. on the day of the absence, with the student's ID number. If for some reason the parent cannot phone the school, the parent must come into the office or send a written note with the student to verify the reason for the absence.
- 2.) **Medical Appointments:** Doctor/Dental notes are required for all medical appointments. Only ½ day will be excused unless the note states that the appointment took all day. Doctor notes must be turned in on the day or immediately on the day after the doctor's appointment to ensure the student has the appropriate time to complete any missed assignments.
- 3.) **Pass to Leave Campus:** No student is to leave school grounds during the school day without going through the attendance office. Parents must report to the office and sign the student out. **The student will not be called out of class until the parent/guardian is present.** Please allow enough time to pick up the student and still be able to arrive at the appointment on time. **Parents should be prepared to show identification.**

Students are not allowed to sign themselves out.

- 4.) **Tardies:** Students must be in class by the time the tardy bell rings. The tardy policy is strictly enforced and unexcused tardies will receive the following consequences.
 - 1st Tardy-Verbal Warning
 - 2nd Tardy-Phone Call to Parent
 - 3rd Tardy-3 Days Detention
 - 4th Tardy-Referral to Administration

Any student tardy more than 15 minutes counts as an unexcused absence.

Parents/students may be sent to truancy court if excessive tardies are accumulated.

- 5.) **Excessive Absences:** Excessive absences whether excused or unexcused, will most certainly reflect on student's grades. When a student's absences reach the point of being excessive, a doctor's note is required. **It is the student's responsibility to obtain make-up work from each class.**
- 6.) **Court Warnings due to Unexcused Absences:** Parents/students will be sent to court for excessive unexcused absences.

Parents will receive a court warning when the student accumulates three excused or unexcused absences. On the fourth excused or unexcused absence, an **Attendance**

Review Hearing will be held with the designated assistant principal. Students identified with excessive unexcused absences will be sent to **Attendance Review Court**.

PLEASE NOTE: If you feel that your child may accumulate excessive absences throughout the year due to chronic illness, such as asthma or allergies, please advise both the attendance office and the nurse at the beginning of the school year. A note from the doctor is required stating the nature of the illness. ***This note must be renewed each year.***

SCHOOL POLICIES

Visitors

A visitor is anyone who is not enrolled or employed at Nolan Richardson. Persons wishing to visit the school must provide a valid government issued identification card to obtain a visitor's pass from the main office. Unless a person has a valid reason for visiting, permission will not be granted. Visitors will be asked to sign in and out at the main office at all times.

Visitors wishing to observe a class must submit a request in writing 24 hours prior to the visit specifying the date, time, teacher, and purpose for the visit. Please include a contact phone number so that contact can be made once the request has received administrative approval.

If you are a parent who is going out of town and leaving your child/children with someone else, please contact the school so that the school is aware of whom to contact in case of an emergency. **Students are not released to anyone, only the parent or guardian that the child lives with.** Parents must notify the school if someone else is picking up the child.

The individual who is picking up the child must be prepared to show identification and submit a written note of approval signed by the student's parent /legal guardian. The school reserves the right to contact parents via phone to verify the information before releasing the student. Please allow sufficient time prior to any appointment so that this task is accomplished.

Valuables

Students, not the school, are responsible for their personal property brought onto school premises. Items brought to school should be properly labeled with the student's name and kept in the student's locker until the end of the day.

Lost and Found

Lost and found items should be turned in to the Bookroom. Every 9 weeks, items not claimed will be donated. **Students, please leave large sums of money and valuables at home. NRMS is not responsible for any lost items.**

Telephone Usage

The office telephones are to be used in cases of **emergency only**. Due to limited phone lines, we ask for your cooperation in planning ahead. Only emergency messages will be delivered to students during class time. Students may use the office phone before school, at lunch, or after school.

Student Deliveries

Any deliveries for students must be for instructional purposes or lunch only. Items must be delivered to the front office. For instructional items being delivered, the student will be allowed to pick up items during transition between classes, lunch, or after school. Students will not be pulled from class for items they forgot at home. **All other deliveries such as balloons/flowers will not be accepted.** Only lunch deliveries from parent/guardians are allowed.

Fire Drills

A fire evacuation plan is posted in each room. Students should study the plan and become familiar with it. When a fire alarm sounds, students will immediately stand and form a single line to leave the room. No one is to run, pass one another, or break line. The first students to reach an outside door are to hold it open until all have left the building. Students **must not talk** during the drill and are to remain with their class until the signal is given to reenter the building.

Hall Passes

Students are not permitted in the halls unless they have a pass from their teacher or the office. **During the first 15 minutes and last 15 minutes of class, students will not be allowed to leave class for anything other than instructional purposes or medical reasons.**

Transportation/Bus Conduct

Students must abide by the EPISD Student Code of Conduct. Students eligible for transportation must ride their assigned bus to and from school and cannot take a bus not assigned to them by the school. **All students eligible to ride the school bus are required to show their Bus card.** The bus driver can refuse a student boarding the bus if he/she does not show the proper ID. Any student who is disruptive, damages the bus in any way, or interferes with the bus driver's ability to transport students in a safe manner will be referred to an administrator. **Riding the bus is a privilege. Abusing that privilege may result in a suspension from riding the bus.** If a student loses bus privileges, it is the parent's responsibility to provide transportation to and from school.

Electronic Devices

No Electronic Devices Allowed During the school day (7:40 a.m. -3:00 p.m.). Students who bring any electronic devices, cell phones, radios, CD players, tape recorders, Game-Boys, cameras, iPods, MP3s, PSPs, and any other similar devices must store them in their locker, in the off position during the instructional day. The only electronic device students will be allowed to use is laptop for instructional purposes only.

NRMS is not responsible for any lost/stolen items.

Violations of the policy will result in confiscation of the electronic device and a fine of \$15.00 being assessed. Repeated violations will result in administrative disciplinary action. The electronic device will only be released to the parent/guardian between 8:00 a.m. and 3:00 p.m. Laptops not being used for instructional purposes are subject to the \$15 fine and confiscation.

If a student lends their electronic device to another student or the electronic device is lost and picked up from another student, the parent/guardian of the student who owns the cell phone will be responsible for paying the assessed fine.

Textbooks

Books must be covered (TEC 12.65b) by the pupil under the direction of the teacher.

Books must be returned at the end of the school year or when the pupil withdraws from school. *Each pupil, or his parent/guardian, shall be responsible for all books not returned. Writing or marking on non-consumable textbooks due to carelessness or neglect, will be considered cause to charge the student a fine for any damaged book. The following fines will be assessed by the bookroom clerk for books that have been turned in to the bookroom lost and found and for any uncovered books.

If the student is between classes or at lunch, then the student must go to the next period teacher's class to obtain a nurse's pass. Exception to the EPISD district policy of a nurse's pass is an emergency. In case of emergency when the nurse is at lunch, send the student to the front office.
