To reach our goal, we are committed to providing parents with the tools they need to help their students social and academic growth.

TITLE I MEETINGS

Our school will hold a minimum of two meetings throughout the school year to review with parents the Title I School requirements.

Other information that will be distributed at these meetings is the Parent and Family Engagement Policy, School Parent Compact, and other important campus-based information.

Parents will also be invited to help plan, review, and improve programs offered at the school and to also help in the revision and improvement of the school parent and family engagement policy.

These and other important meetings will be held on different days and times to ensure that all parents have the opportunity to attend.
