Our May Choice Board

Where reading, learning, making, coding, technology and music can take you on adventures all month long.

Learn about and celebrate special events in May

Asian Pacific American Heritage Month is celebrated in May.

Learn about this special month in this BrainPop video.

Cinco de Mayo is celebrated on May 5th.

Coding

Can you code an Ozobot online with the **Ozobot Simulator**?

Making

Grab some sidewalk chalk and draw outside. You can also use **Free Draw or Scribbles and Ink** to create a virtual chalk drawing too.

Create a 3D design with **Tinkercad**. You can even collaborate with a friend while creating in Tinkercad.

Reading

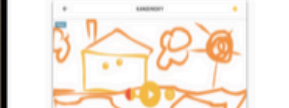

Celebrate **Children's Book Week** May 2-8 with this reading choice board.

Take A Virtual Field Trip Around the World

Technology Fun

With **Kandinsky from Chrome Music Lab**, turn anything you draw...lines, circles, triangles or scribbles...into sound.

Create your own story with the **PBS Story Creator** and famous writers.

Put on a **music concert** with **Carmen** and her friends with instruments from around the world.
