2018-2019

Powell Student-Parent Handbook

The 2018-2019 Powell Student-Parent Handbook will be posted on the Powell School Website for review.

A copy of the handbook will be available for review in the front office.

The handbook will include all campus policies and procedures for students and parents. The contents of the handbook will be covered in detail during Student/Parent Orientations and Coffee with the Principal Meetings.

A Powell Handbook Confirmation Page will be sent home with each student on the first day of the school year.

Each student/parent will sign that each has reviewed the handbook and will comply with all campus policies.

The signed confirmation page must be returned to school no later than Friday, August 17, 2018.

The confirmation page will become part of each child's school records for the 2018-2019 school year.

Thank you for your support.
