## Third Grade

### Our goal

Teachers will monitor student reading progress and provide targeted instruction which result in a 24% increase in the number of students reading at a second-grade instructional reading level or above.

### In the Class-room the student will:

- Encourage students to read outside of school.
- Provide small group instruction in reading
- Monitor student growth using I-station and Benchmark tests.
- Encourage to read both Fiction and Nonfiction texts.
- Provide extra support using blended classroom and targeted student intervention.

### What you can do at home:

- Provide a place and time for your child to read independently at home.
- Use parent portal or contact school to monitor attendance and grades.
- Read and understand the classroom discipline plan.
- Allow your children 15-20 minutes at home to read each day.
