Our goal

Teachers will monitor student reading progress and provide targeted reading instruction which result in a 40% increase in the number of students reading at a fourth-grade instructional reading level or above.

In the Class-room the student will:

- Encourage students to read outside of school.
- Provide small group instruction in reading.
- Monitor student growth using I-station and Benchmark tests.
- Encourage to read both Fiction and Nonfiction texts
- Use computer programs and intervention time to provide targeted instruction.

What you can do at home:

- Provide a place and time for your child to read independently at home.
- Use parent portal or contact school to monitor attendance and grades.
- Read and understand the classroom discipline plan.
