EPISD to host Furniture Expo for 2016 Bond

EL PASO, TEXAS — The public will have a chance to give the El Paso Independent School District input on the type of furniture it wants to see in schools as the District begins reconstructions and renovations of campuses through the 2016 bond program.

EPISD, along with its bond construction partners Jacobs/Huitt-Zollars, will host six school furniture distributors who will display samples of their products for public viewing and comment.

The Furniture Expo will be from 3 to 8 p.m. on Wednesday, Sept. 6, at the Burges High School auxiliary gym, 7800 Edgemere Blvd.

EPISD and Jacobs/Huitt-Zollars will be collecting comments from attendees to ensure that the furniture purchased for 2016 bond projects meets the needs of students and accommodates the active learning model the District has adopted.

For more information please contact Gustavo Reveles Acosta at greveles@episd.org or 230-2563.
