EPISD wants input on real estate surplus properties

EL PASO, TEXAS — The El Paso Independent School District wants input from the public on its real estate and community planning initiatives involving current and potential surplus properties owned by the District.

An open house aimed at giving the public the chance to better understand the initiatives and help them give input is scheduled from 5:30 to 7 p.m. on Monday, Dec. 4, at the Irvin High School cafeteria, 9465 Roanoke Dr.

The initiatives EPISD is considering include the possible sale of surplus property, most of which is located in Northeast El Paso. Surplus properties are land lots and real estate that the EPISD Board of Trustees has determined are no longer needed for school or administrative purposes.

Contact for the open house is Joaquin Rodriguez, EPISD's project manager, urban planning and real estate development. He may be reached at jrodri12@episd.org

For media information please contact Gustavo Reveles Acosta at greveles@episd.org or 230-2563.
